

The HOME TOUR Advantage!

UNBEATABLE INTERNET PRESENCE!

Home Tour has access to 30+ Internet points of presence (vs. the 19 offered by our competition). Our online distribution now includes The Wall Street Journal (\$1M+), The New York Times (\$450 K+), BobVilla.com, Yahoo, RealtyTrac, at&t.net, Condo.com, Google, Trulia, Zillow, Enormo, Vast.com, and more!

MLS DATA IMPORT! Adding new listings is now effortless. On request, Home Tour will import your MLS data into the required fields of your webpage (including photos for FREE QuickTours) saving you time & maintaining the integrity of the data for electronic distribution.

NEW! MOBILE MARKETING SYSTEM! Advertisers now have access to a fully automated, toll free, Property Information Line. Buyers can view or listen to a description of the property, and be connected directly to you. Advertisers will receive an E-mail AND text message containing the buyer's phone number, literally placing them in the "palm of their hand!"

NEW! TELL YOUR SELLER! For each listing added to the Home Tour website, you have access to customizable letters that describe how you are marketing their property: a link to their property online, a view of their QuickTour, their personal Property Info Line, and more!

WEB EXTRAS! Find all the tools needed to schedule an open house or "Feature" listings on Home Tour's Home page! Use the links provided to point the public directly to a listing. This is especially helpful for use on Facebook®, Craigslist®, and other social networking sites!

Competitive Pricing * Free Ad Design with a Contract Superior Customer Service

Home Tour continues to offer innovative technical solutions that enhance your business, lower your administrative costs, promote your listings, and drive the "searching consumer" back to YOU!
